MESSAGE FROM THE VICE-CHANCELLOR

It is with great pride and purpose that I welcome you to Al-Karim University, Katihar, Bihar, a distinguished institution dedicated to excellence in medical education, nursing, allied sciences, research, and healthcare innovation.

At Al-Karim University, we are deeply committed to nurturing the next generation of compassionate, skilled, and ethical healthcare professionals. Our mission goes beyond imparting knowledge — we strive to imbibe a holistic approach and instil a spirit of service, inquiry, and social leadership in every student who walks through our doors. We believe education is not just about acquiring knowledge, but about nurturing curiosity, critical thinking, and a lifelong passion for learning.

We offer a rigorous academic environment supported by a dynamic faculty, state-of-the-art facilities, and a high standard hospital with research backup. Our curriculum is designed in line with respective educational bodies, to balance scientific foundations with clinical practice, encouraging critical thinking, innovation, and a lifelong commitment to learning.

As future doctors, scientists, and health leaders, you will not only be prepared to meet the challenges of today's healthcare landscape but also equipped to shape the future of medicine and allied sciences.

We take pride in fostering a diverse and inclusive community where students from all walks of life come together to learn, grow, and make meaningful contributions to society.

I invite you to explore our academic programs, research initiatives and vibrant campus life through this prospectus and join our academic community and embark on a journey that will be as challenging as it is rewarding. I am confident that your journey with us will be transformative, both personally and professionally.

We look forward to welcoming you to Al-Karim University — a place where your future begins.

Together, let us advance the frontiers of knowledge and improve lives — one patient, one discovery, and one step at a time.

Dr (Prof) Syed Moied Ahmed

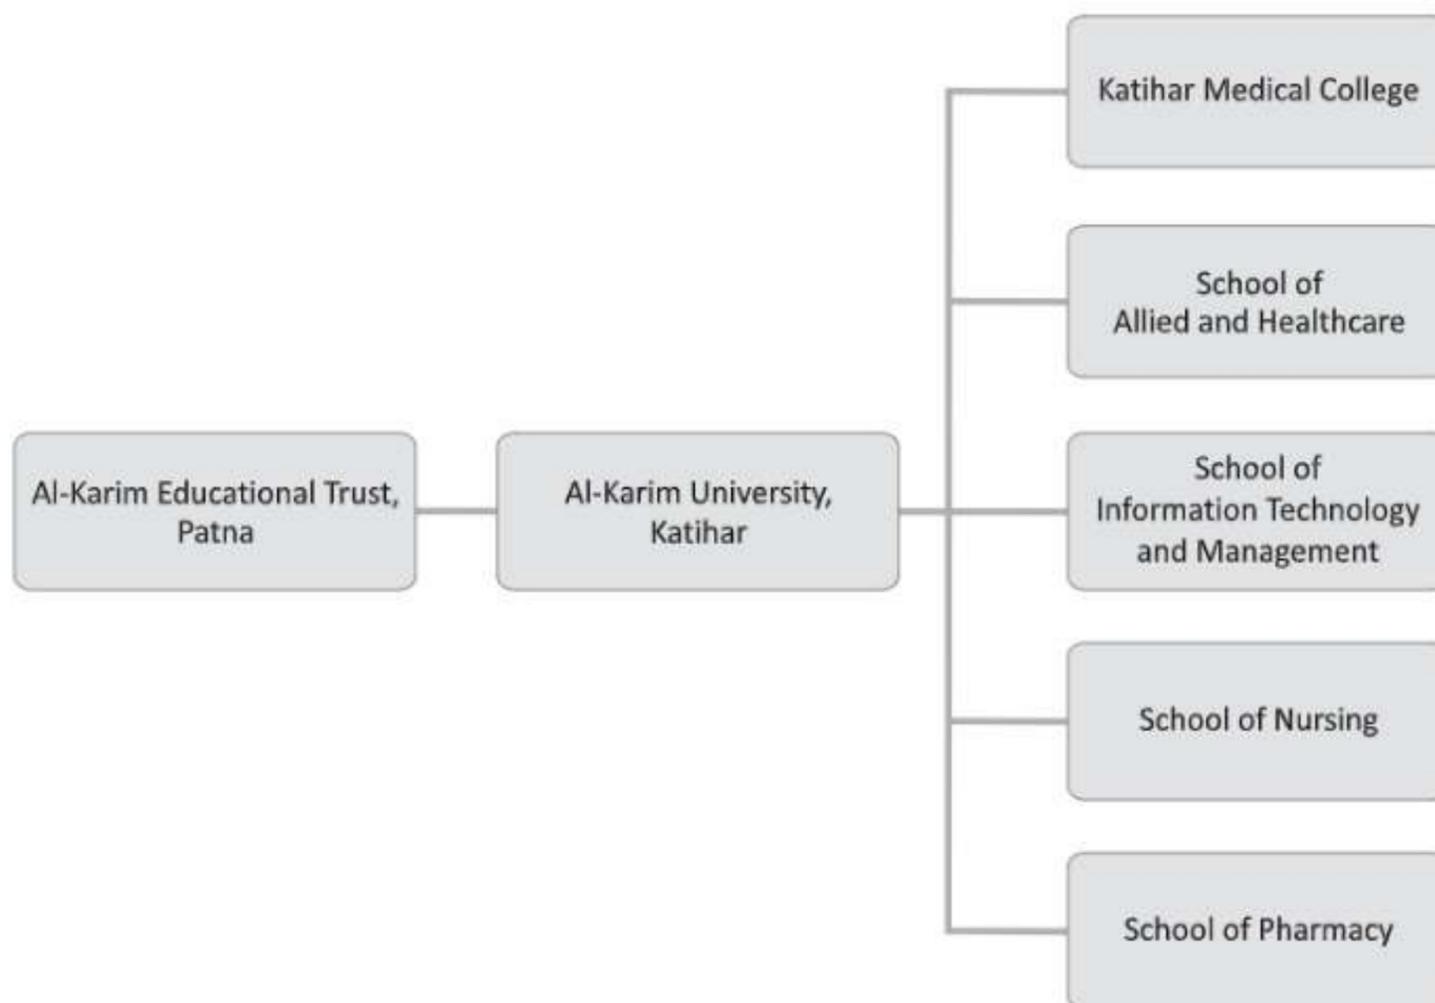

AL-KARIM EDUCATIONAL TRUST

In the year 1986, the National Education Policy identified Katihar district in Bihar for special emphasis on development and Education. The Ministry of Minority Affairs too pointed out that despite having enough potentiality, the Kosi region of Bihar is lagging much behind in utilizing its full potential and healthcare situation of this demographic location was a major concern. Looking into these concerns and in accordance with the recommendation of Sunil Mukherjee Committee & Mudaliar Committee, Al-Karim Educational Trust, Patna was established in the year 1986 and soon after that, under the provisions of Article 30 (1) of the Constitution of India, it sponsored and established Katihar Medical College on October 1987.

Al-Karim Educational Trust is a registered society of the members of the Muslim religious minority community devoted to the promotion of education, research, and information dissemination among students of the Muslim minority community as well as general students. The Trust has also been established for the benefit of poor and weaker sections of the community especially to ameliorate their educational and economic backwardness and poor health care.

AL-KARIM UNIVERSITY

Furthermore, expanding the horizon of accessibility of higher education in Bihar, Al-Karim Educational Trust, Patna established Al-Karim University, Katihar in 2018 under the provisions of the Bihar Private Universities Act, 2013. Furthermore, the university was recognized by the University Grants Commission (UGC) in the year 2019.

Soon after the establishment of the university, Katihar Medical College, Katihar was inducted into the university. Furthermore, the university, in addition to MBBS and postgraduate courses in medical sciences, started various degree and diploma courses under Schools of Pharmacy, Allied and Healthcare, Information Technology and Management, and Nursing.

The headquarter of Al-Karim University is located in Katihar, a city situated in the eastern region of Bihar. It is known for its highly strategic railway junction and defence establishments. Katihar Railway Junction connects north-east region of India with the rest of India and is connected well with national and state capital, Delhi and Patna, respectively.

OUR LOGO

- Al-Karim is one of the 99 names of Allah, which means generous.
- The shield symbolizes strength and safety.
- The text in Arabic script – Rabbi zidni 'ilma – is taken from the Quran [Ch:20, Verse:114] which translates to “my lord, increase me in knowledge”.
- The text below the book is “Al-Karim University Katihar” written in Arabic language.
- The year “2018” is the year of establishment.
- The olive branches symbolize peace and victory.

OUR VISION

- To equip our students with not just skills but also inculcate in them the human values that they should carry with themselves for their own and for the society at large.

OUR MISSION

- To bring state-of-the-art facilities to the institution for education and research.
- To implement mechanisms in education and research at par with international standards.
- To promote innovation and creativity that nurtures growth.

KATIHAR MEDICAL COLLEGE

ABOUT

The medical college is located inside Al-Karim University premises spread over a lush green parcel of land. The college consists of various blocks housing different facilities such as administration, lecture theatres, hostels for undergraduate (MBBS), intern (MBBS) and postgraduate (MD/MS) scholars, OPD, inpatient wards, emergency and casualty services, radio-diagnosis, cath lab and other investigation services including full scale blood bank.

Principal, teaching faculties and other staff of the university have facility of residential quarters within the premises of the university besides a well-furnished guest house for examiners and other guest visiting the college and the university.

The medical college library covers an area of about 2400 square meters and is well stocked with text and reference books and the library subscribe to 113 national and international journals on medical sciences which are available in print as well as online for easy reference and archival use.

All teaching department have their own departmental library, equipped with audio-visual aids and high speed internet access. All teaching department also have the necessary facilities to support both effective teaching and quality patient care.

Microbiological investigations, Molecular Biological studies, Pathology and Biochemistry studies are well equipped with latest equipment.

Katihar Medical College was awarded as the best medical college in north-east India by Worldwide Achievers in the Healthcare Excellence Summit & Awards 2015 by Mr. Shripad Yesso Naik, Hon'ble Union Minister of State (Independent Charge) Ministry of Ayurveda, yoga & Naturopathy, Unani, Siddha and Homoeopathy (AYUSH), Union Minister of State, Ministry of Health and Family Welfare.

PhD

Doctoral studies are carried out by science postgraduates and qualified doctors combining their past training with the research work and undertaking scientific training who wish to pursue career in medical research. The research covers the broad spectrum of medical science.

Al – Karim University, Katihar has introduced an innovative and dynamic PhD programme for the students rightly fit as a PhD researcher looking to develop new ideas and perspectives in the field of Medical and Allied Health Sciences. Katihar Medical College which runs under the Faculty of Medicine offers PhD program in the following areas:

1. Anatomy
2. Community Medicine
3. Biochemistry
4. Microbiology
5. Physiology
6. Pathology
7. Pediatrics
8. Pharmacology

ELIGIBILITY FOR CANDIDATES WHO HAVE COMPLETED MSC, MEDICAL OR OTHER MASTER DEGREE COURSES

A candidate seeking admission in PhD programme in faculty of medicine should have a full-time master degree in relevant discipline or a professional degree declared equivalent to master degree by the corresponding statutory regulatory body with at least 55% marks in aggregate or its equivalent grade 'B' in the UGC 7-point scale (or an equivalent grade)

ELIGIBILITY FOR CANDIDATES WHO HAVE COMPLETED MD, MS, DNB, DM, MCH COURSES

The candidates should have 55% marks in aggregate or its equivalent grade 'B' in the UGC 7-point scale in MD, MS, DNB, DM, MCH with 55% marks.

ADDITIONAL REQUIREMENT FOR ADMISSION INTO PART TIME PhD PROGRAM

Candidates who are working at any organisation: Such part-time PhD candidates are required to submit a 'No Objection certificate' on a proper letter head from the competent authority of the organization clearly stating the following:

COURSE DURATION

For candidates who have completed MSc Medical or other Master degree courses: The duration of the course shall be three years for Full-time and four years for Part-time candidates.

For candidates who have completed MD, MS, DNB, DM, MCH courses: The duration of the course shall be two years for Full-time and three years for Part-time candidates.

CAREER PROSPECTS

- Academic and Research Professor in reputed Indian universities and overseas
- Scientist position in Government organizations (ICMR, DRDO, DST, DBT, AYUSH etc)
- Scientific Director in a Non-Profit organization for public health and medical research.
- Clinical Research and Regulatory Officer/Coordinator in Healthcare organizations (WHO, FDA, UNICEF, UNESCO)
- Entrepreneurship in medical diagnostics and pharmaceutical development
- Innovator of lead molecules and novel therapies

MSc IN MEDICAL ANATOMY

MSc in Medical Anatomy course imparts training in various branches of Human Anatomy to enable the pursuit of a teaching career in Anatomy. In addition, it provides an opportunity to carry out a research in its sub-specialties.

MSc IN MEDICAL PHYSIOLOGY

Candidates admitted into MSc in Physiology will be trained in various branches of Physiology. They will be given theoretical and practical training in Physiology in such a way that they will be able to pursue a career as a teacher in Physiology for medical and science students. The thesis work which the candidates will carry out in partial fulfillment for the award of degree will give them the training to pursue a career in research. The student will have the option to select various branches of Physiology for their work.

MSc IN MEDICAL BIOCHEMISTRY

The objective of the MSc in Biochemistry course is to impart training in basic and advanced biochemistry, molecular biology, immunology and clinical biochemistry. The students also get an opportunity to carry out research in various sub-specialties in the subject.

MSc IN MEDICAL MICROBIOLOGY

MSc in Microbiology course covers the studies in various areas involving microorganisms and their effect on humans. It gives theoretical and practical knowledge of the subject. The course involves all branches of Microbiology including general and systemic bacteriology, immunology, virology, parasitology and mycology. Further, it also gives current insights into bio-statistics, computer application molecular biology and bio-instrumentation. Practical aspects of the subject are oriented towards proper training for diagnosis in various aspects of Microbiology.

MSc IN MEDICAL PHARMACOLOGY

MSc in Medical Pharmacology encompasses an intensive curricular activity which includes lectures/seminars on basic and advanced pharmacology and toxicology, experimental and clinical pharmacological research involving modern instruments and techniques. Students are required to undertake a thesis work under the supervision of a departmental faculty member and participate in different curricular programs assigned to them in the department. On successful completion, the degree helps the students in securing admission for higher studies both in India and abroad. It also provides excellent job opportunities to secure a position in the drug industry, academic institution and drug regulating agencies.

ELIGIBILITY CRITERIA FOR ADMISSION

For admission into MSc Medical course, the candidate must possess one of the following qualifications with 55% marks in one of the following qualifying examinations:

- a) BSc degree in Life Sciences (Physics, Chemistry or Biology)
- b) MBBS
- c) BAMS
- d) BUMS
- e) BHMS
- f) BPT
- g) Bachelor of Pharmacy

CAREER PROSPECTS

- After completing, the students may pursue PhD course to gain knowledge and advance their career.
- MSc in Medical Anatomy, Physiology and Biochemistry graduates may be appointed as non-medical teachers in a medical college. These rules are subject to change as decided by state government / central government / NMC or any other relevant bodies.

SCHOOL OF ALLIED AND HEALTHCARE

ABOUT

School of Allied and Healthcare was established with the objective to produce well-trained paramedical and allied health professionals to cater to the growing need of the healthcare sector. Allied and Healthcare courses are interdisciplinary medical subjects which are becoming extremely significant in healthcare delivery systems. In recent years, there has been a growing need for qualified and well-trained paramedical personnel who form an essential constituent of the medical profession. In order to meet the increasing demand for qualified and trained paramedical personnel, the school offers undergraduate degree courses in paramedical and allied health sciences.

BACHELOR OF MEDICAL LABORATORY SCIENCE (BMLS)

A medical laboratory science course deals with biochemical, haematological, immunological, microscopical and bacteriological diagnostic analysis on body fluids. The medical laboratory science performs diagnostic tests equipment validations, calibrations, quality control and interpretation observed data.

At Al-Karim University's School of Allied and Healthcare, a student of BMLS learns hands-on learning in various disciplines of the laboratory and under supervision, performs diagnostic testing in a functioning laboratory.

CAREER PROSPECTS

- Hospital Outreach Coordinator
- Medical Lab Technologist
- Lab Supervisor
- Laboratory Manager
- Laboratory Information System Analyst
- Demonstrator
- Research Assistant

BACHELOR OF MEDICAL RADIOLOGY AND IMAGING TECHNOLOGY (BMRIT)

A Radiologic Technologist, also known as a Medical Radiation Technologist or Radiographer performs imaging of the human body for diagnosis of medical problems.

The common subjects of basics are Anatomy, Physiology, Pathology, Microbiology, taught in the 1st year will prepare the student to understand the nature of diseases. The hands-on experience in the department of Radio-diagnosis will enable the student to understand the nature of illness from routine imaging to CT and MRI scans. The student will receive excellent and exhaustive training in these fields to be able to assist senior radiologist.

CAREER PROSPECTS

- Medical Image Analysis Scientist
- Marketing Executive
- X-ray Technician
- Imaging Research Manager
- Radiographer
- Demonstrator

BACHELOR IN ANAESTHESIA AND OPERATION THEATRE TECHNOLOGY (BAOTT)

Bachelor in Anaesthesia and Operation Theatre Technology (B AOTT) course deals with understanding the ethics, layout of operation theatre as well as of handling equipment. The primary responsibility of Operation Theatre Technologists is to help Surgeons in Surgery, masterminding surgical instruments before surgery, sterilizing instruments before surgery, following surgeons instructions during surgery or crisis and dealing with anaesthesia equipment. Operation Theatre Technologists are required across all hospitals where medical surgeries are conducted.

Afer passing the course, the students may go for higher studies for enhancing their educational qualification.

CAREER PROSPECTS

- Operation Theatre (OT) Technologist / Technician
- Research Assistant
- Anaesthetic Assistant
- Project Assistant
- Demonstrator / Tutor

BACHELOR OF OPTOMETRY (BOPTOM)

Optometry is a healthcare profession concerned with the health of the eyes and related structures, as well as vision, visual system and vision information processing in humans.

The World Council of Optometry defines optometry as healthcare profession that is autonomous, educated, and regulated (licensed/registered), and optometrists are the primary healthcare practitioners of the eye and visual system who provide comprehensive eye and vision care, which includes refraction and dispensing, detection/diagnosis and management of disease in the eye, and the rehabilitation of conditions of the visual system.

An optometrist performs comprehensive examinations of both internal and external structures of the eye, subjective and objective tests to evaluate patients' vision.

CAREER PROSPECTS

- Eye Care Hospital & Institutions
- Scientific Research
- Work on optical chain or Under an optical store.
- Basic Research and Integrated Professional areas.
- Education sector.
- Industries/Companies.
- Sports Optometrist.
- Public Health Optometrist.
- Clinical Optometrist in private practice, government or private Hospitals

BACHELOR OF PHYSIOTHERAPY (BPT)

Physiotherapy is a science-based profession and takes a whole person' approach to health and wellbeing, which includes the patient's general lifestyle.

Physiotherapists use their knowledge and skills to improve a range of conditions associated with different systems of the body such as:

- Neurological (stroke, multiple sclerosis, Parkinson's)
- Neuromusculoskeletal (back pain, whiplash associated disorder, sports injuries, arthritis)
- Cardiovascular (chronic heart disease, rehabilitation after heart attack)
- Respiratory (asthma, chronic obstructive pulmonary disease, cystic fibrosis)

Physiotherapists work in a variety of specialization in health and social care. Additionally some physiotherapists are involved in education, research and service management.

CAREER PROSPECTS

- Physiotherapist
- Osteopath
- Therapy Manager
- Sports Physio Rehabilitator
- Physical Healthcare Consultant
- Demonstrator

BACHELOR OF SCIENCE IN CARDIOVASCULAR TECHNOLOGY (BSc CVT)

Bachelor of Science in Cardiovascular Technology is a specialized undergraduate course for allied health professionals. Cardiovascular technologists can assist physicians in the diagnosis and treatment of cardiac and peripheral vascular disease. Cardiovascular technologists prepare patients for open-heart surgery and the implanting of pacemakers and monitor patients during these procedures. Cardiac technologists also operate different instruments used in the diagnosis and treatment of cardiovascular diseases.

At the School of Allied and Healthcare, Al-Karim University, a student of BSc cardiovascular technology program will attend classroom courses for four years and internship for 6 months. In clinical rotations, the student will experiences hands-on learning in various types of the cardiovascular technology, and under the supervision of seniors perform diagnostic testing in the cardiology department.

CAREER PROSPECTS

- Hospital Outreach Coordinator
- Cardiovascular Technologist
- Cardiac Lab Supervisor
- Cardiac Lab Manager
- Cardiographic Technician
- Echocardiographer
- Registered Cardiac Sonographer
- Registered Cardiac Invasive Specialist
- Registered Cardiac Electrophysiology Specialist
- Registered Vascular Specialist
- Cath Lab Technician
- ICU-intensivist
- Demonstrator & Tutor

BACHELOR OF DIALYSIS THERAPY TECHNOLOGY (BDTT)

Bachelor of Dialysis Therapy Technology equips students with the skill that in demand of a Dialysis Technician who can take the responsibility in the domain with effective case. This is a regular theory and practical oriented program designed to train students in the clinical and technical aspects of renal care. It prepares professionals to manage patients with kidney failure using advanced blood-purification technologies.

 - j) The institution shall give necessary instructions to the employees of the canteens and messing. whether that of the institution or that of a service provider providing this service, or their employers, as the case may be, to keep a strict vigil in the area of their work and to report the incidents of ragging to the Head of the institution or members of the Anti-Ragging Squad or members of the Anti-Ragging Committee or the Wardens, as may be required.
 - k) All Universities awarding a degree in education at any level, shall be required to ensure that Institutions imparting instruction in such courses or conducting training programme for teachers include inputs relating

to anti-ragging and the appreciation of the relevant human right, as well as inputs on topics regarding sensitization against corporal punishments and handle at least the rudiments of the counselling approach.

- l) Discreet random surveys shall be conducted amongst the freshers every fortnight during the first three months of the academic year to verify and cross check Whether the institution is indeed free of ragging or not and for the purpose the institution may design its own methodology of conducting such surveys.
- m) The institution shall cause to have an entry, apart from those relating to general conduct and behaviour, made in the Migration/Transfer Certificate issued to the student while leaving the institution, as to whether the student has been punished for committing or abetting an act of ragging, as also whether the student has displayed persistent violent or aggressive behaviour or any inclination to harm others, during his course of study in the institution.
- n) Notwithstanding anything contained in these Regulations with regard to obligations and responsibilities pertaining to the authorities or members of bodies prescribed above, it shall be the general collective responsibility of all levels and sections of authorities or functionaries including members of the faculty and employees of the institution, whether regular or temporary, and employees of service providers providing service within the institution, to prevent or to act promptly against the occurrence of ragging or any incident of ragging which comes to their notice.
- o) The Heads of institutions affiliated to a University or a constituent of the University, as the case may be, shall, during the first three months of an academic year, submit a weekly report on the status of compliance with Anti-Ragging measures under these Regulation, and a monthly report on such status thereafter, to the vice-Chancellor of the University to which the institution is affiliated to or recognized by.
- p) The Vice Chancellor of each University, shall submit fortnightly reports of the university, including those of the Monitoring Cell on Ragging in case of an affiliating university, to the State Level Monitoring Cell.

7. **Action to be taken by the Head of the institution.-** On receipt of the recommendation of the Anti Ragging Squad or on receipt of any information concerning any reported incident of ragging, the Head of institution shall immediately determine if a case under the penal laws is made out and if so, either on his own or through a member of the Anti-Ragging Committee authorised by him in this behalf, proceed to file a First Information Report (FIR), within twenty four hours of receipt of such information or recommendation, with the police and local authorities, under the appropriate penal provisions relating to one or more of the following, namely:

- i. Abetment to ragging;
- ii. Criminal conspiracy to rag;
- iii. Unlawful assembly and noting while ragging;
- iv. Public nuisance created during ragging;
- v. Violation of decency and morals through ragging;
- vi. Injury to body, causing hurt or grievous hurt,
- vii. Wrongful restraint;

- viii. Wrongful confinement;
- ix. Use of criminal force;
- x. Assault as well as sexual offences or unnatural offence;
- xi. Extortion;
- xii. Criminal trespass
- xiii. Offences against property;
- xiv. Criminal intimidation;
- xv. Attempts to commit any or all of the above mentioned offences against the victim (s);
- xvi. Threat to commit any or all of the above mentioned offences against the victim (s);
- xvii. Physical or psychological humiliation;
- xviii All other offences following from the definition of "Ragging"

Provided that the Head of the institution shall forthwith report the occurrence of the incident of ragging to the District Level Anti-Ragging Committee and the Nodal officer of the affiliating University, if the Institution is an affiliated institution. Provided further that the institution shall also continue with its own enquiry initiated under clause 9 of these Regulations and other measures without waiting for action on the part of the Immediately and in police/local authorities and such remedial action shall be initiated and completed no case later than a period of seven days of the reported occurrence of the incident of ragging.

8. Duties and Responsibilities of the Commission and the Councils.-

8.1 The Commission shall, with regard to providing facilitating communication of information regarding incidents of ragging in any institution, take the following steps, namely;

- a) The Commission shall establish, fund and operate, a toll-free Anti-Ragging Helpline, operational round the clock, which could be accessed by students in distress owing to ragging related incidents.
- b) Any distress message received at the Anti-Ragging helpline shall be simultaneously relayed to the Head of the institution, the Warden of the Hostels, The Nodal officer of the affiliating University, if the incident reported has taken place in an institution affiliated to a University, the concerned District authorities and if so required, the District Magistrate, and the Superintendent of Police, and shall also be web enabled so as to be in the public domain simultaneously for the media and citizens to access it.
- c) The Head of the Institution shall be obliged to act immediately in response to the information received from the Anti-Ragging Helpline as at sub-clause (b) of this clause.
- d) The telephone numbers of the Anti-Ragging Helpline and all the important functionaries in every institution, Heads of institutions, faculty members, members of the anti-ragging committees and anti ragging squads, district and sub-divisional authorities and state authorities, Wardens of hostels, and other functionaries or authorities where relevant, shall be widely disseminated for access or to seek help in emergencies.
- e) The Commission shall maintain an appropriate data base to be created out of affidavits, affirmed by each student and his/her parents/guardians and stored electronically by the institution, either on its or through an agency to be designated by it; and such database shall also function as a record of ragging complaints

received, and the status of the action taken thereon.

- f) The Commission shall make available the database to a non-governmental agency to be nominated by the Central Government, to build confidence in the public and also to provide information of non compliance with these Regulations to the Councils and to such bodies as may be authorised by the Commission or by the Central Government.

8.2 The Commission shall take the following regulatory steps, namely;

- a) The Commission shall make it mandatory for the institutions to incorporate in their prospectus, the directions of the Central Government or the State Level Monitoring Committee with regard to prohibition and consequences of ragging and that non-compliance with these Regulations and directions so provided, shall be considered as lowering of academic standards by the Institution, therefor making It liable for appropriate action.
- b) The Commission shall verify that the institutions strictly comply with the requirement of getting the affidavits from the students and their parents/guardians as envisaged under these Regulations.
- c) The Commission shall include a specific condition in the utilization Certificate, in respect of any financial assistance or grants-in-aid to any institution under any of the general or special schemes of the Commission, that the institution has complied with the anti-ragging measures.
- d) Any incident of ragging in an institution shall adversely affect its accreditation, ranking or grading by NAAC or by any other authorised accreditation agencies while assessing the institution for accreditation, ranking or grading purposes.
- e) The Commission may accord priority in financial grants-in-aid to those institutions, otherwise eligible to receive grants under section 128 of the Act, which report a blemishless record in terms of there being no reported incident of ragging.
- f) The Commission shall constitute an Inter-Council Committee, consisting of representatives of the various Councils, the Non-Governmental agency responsible for monitoring the database maintained by the Commission under clause (g) of Regulation 8.1 and such other bodies in higher education, to coordinate and monitor the anti-ragging measures in institutions across the country and to make recommendations from time to time; and shall meet at least once in six months each year.
- g) The Commission shall institute an Anti-Ragging Cell within the Commission as an institutional mechanism to provide secretarial support for collection of information and monitoring, and to coordinate with the State Level Monitoring Cell and University level Committees for effective implementation of anti-ragging measures, and the Cell shall also coordinate with the Non-Governmental agency responsible for monitoring the database maintained by the Commission under clause (g) of Regulation 8.1.

9. Administrative action in the event of ragging.-

9.1 The institution shall punish a student found guilty of ragging after following the procedure and in the manner prescribed hereinunder

- a) The Anti-Ragging Committee of the Institution shall take an appropriate decision, in regard to punishment or otherwise, depending on the facts of each incident of ragging and nature and gravity of the incident of ragging

established in the recommendations of the Anti-Ragging Squad.

- b) The Anti-Ragging Committee may, depending on the nature and gravity of the guilt established by the Anti-Ragging Squad, award, to those found guilty, one or more of the following punishments, namely;
 - i. Suspension from attending classes and academic privileges.
 - ii. Withholding/withdrawing scholarship/fellowship and other benefits.
 - iii. Debarring from appearing in any test/examination or other evaluation process.
 - iv. Withholding results.
 - v. Debaring from representing the institution in any regional, national or international meet, tournament, youth festival, etc.
 - vi. Suspension/expulsion from the hostel.
 - vii. Cancellation of admission.
 - viii. Rustication from the institution for period ranging from one to four semester.
 - ix. Expulsion from the Institution and consequent debarring from admission to any other institution for a specified period. Provided that where the persons committing or abetting the act of ragging are not identified, the institution shall resort to collective punishment.
- c) An appeal against the order of punishment by the Anti-Ragging Committee shall lie,
 - i. In case of an order of an institution, affiliated to or constituent part, of a University, to the Vice-Chancellor of the University.
 - ii. In case of an order of a University, to its Chancellor.
 - iii. In case of an institution of national importance created by an Act of Parliament, to the Chairman or Chancellor of the institution, as the case may be.

9.2 Where an institution, being constituent of, affiliated to or recognized by a University, falls to comply with any of the provisions of these Regulations or fails to curb ragging effectively, such University may take any one or more of the following actions, namely;

- i. Withdrawal of affiliation/recognition or other privileges conferred
- ii. Prohibiting such institution from presenting any student or students the award of any degree/diploma of the University.

Provided that where an institution is prohibited from presenting its student or students, the Commission shall make suitable arrangements for the other students so as to ensure that such students are able to pursue their academic studies.

- iii. Withholding grants allocated to it by the university, if any
- iv. Withholding any grants channelled through the university to the institution
- v. Any other appropriate penalty within the powers of the university.

9.3 Where in the opinion of the appointing authority, a lapse is attributable to any member of the faculty or staff of the institution, in the matter of reporting or taking prompt action to prevent an incident of ragging or who display

an apathetic or insensitive attitude towards, complaints of ragging, or who fail to take timely steps, Whether required under these Regulations or otherwise, to prevent an incident or incidents of ragging, then such authority shall initiate department disciplinary action, in accordance with the prescribed procedure of the institution, against such member of the faculty or staff.

Provided that where such lapse is attributable to the Head of the institution, the authority designated to appoint such Head shall take such departmental disciplinary action; and such action shall be without, prejudice to any action that may be taken under the penal laws for abetment of ragging for failure to take timely steps in the prevention of ragging or punishing any student found guilty of ragging.

9.4 The Commission shall, in respect of any institution that fails to take adequate steps to prevent ragging or fails to act in accordance with these Regulations or fails to punish perpetrators or incidents of ragging suitably, take one or more of the following measure, namely;

- i. Withdrawal of declaration of fitness to receive grants under section 128 of the Act. Withholding any grant Allocated.
- ii. Withholding any grant allocated.
- iii. Declaring the institution ineligible for consideration for any assistance under any of the general or special assistance programmes of the Commission.
- iv. Informing the general Public, including potential candidates for admission, through a notice displayed prominently in the newspapers or other suitable media and posted on the website of the Commission, declaring that the institution does not possess the minimum academic Standards.
- V. Taking such other action within its powers as it may deem fit and impose such other penalties as may be provided in the Act for such duration of time as the institution complies with the provisions of these Regulations.

Provided that the action taken under this clause by the Commission against any institution shall be shared with all Councils.
